---

Following a recent fire at our Indoor Stadium (and consequential insurance claim), Nenagh Olympic Athletic Club are now facing a shortfall of **€90,000** to replace fire damaged training equipment and building.

We have launched a fundraising site to raise funds to restore the Indoor Stadium to competition level.

<https://www.youcaring.com/nenagholympicathleticclubfundraiser>

We are asking all present and past members, associates, parents, athletes past and present and any organisation or club with any connection to the club to support us in our fundraising drive.

Please share the above link on all social media platforms and contact family and friends of Nenagh Olympic Athletic Club to do the same. We hope to spread this message worldwide.

## PLEASE DONATE!
